Co-learning Principles

Acknowledg-
ing our
inherent
unity and
interdepend-
ence

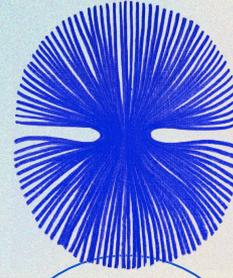

Cultivating
our capacity
to act in
integrity to
the whole

Walking
together on a
learning
journey

Honoring
the innate
sovereignty
and
personhood
of all

Harmonizing
our relations
through the
pursuit of
truth and
right action

Achieving
coherence
between the
material,
spiritual,
and social
dimensions
of reality

*Estos principios expresan los valores fundamentales que facilitan nuestro caminar juntos en un viaje de aprendizaje inexplorado.
Estos evolucionarán con el tiempo a medida que actuemos, reflexionemos y aprendamos.*
